

POST CONFERENCE

We believe that most of us gain so many information and experience with this conference, it help us to defense our country policies to try to find out the best resolution for any issues and discussed the motion more series and deeply. International Law are basically the system of law the all country have to obey and follow it as to maintain good relationship as the world are become interdependent for each other. We had learnt the cognitive skills which is its abilities are brain-based skills we need to carry out any task from the simplest to the most complex. They have more to do with the mechanisms of how we learn, remember, problem-solve, and pay attention, rather than with any actual knowledge. The action skills that we learnt also how to motioning, how to answering all
